THE OTHER HAMPTONS VACATION

What better way to enjoy scenic vistas, breathtaking sunrises or sunsets, explore new beaches and quaint villages...than on a sailing vacation?

From June through October, Little Dutch Sailing Charters will traverse the waters of the Long Island Sound. Day trips, sunset sails, weekend and week-long adventures are available, and all charters can be customized.

We sail out of Three Mile Harbor in East Hampton, NY through its charming inlet, filled with local marshes, islands and indigenous coastal wildlife, and into Gardiners Bay and Long Island Sound. Pick-ups can also be made from Sag Harbor, Greenport, Shelter Island and Montauk.

A typical charter may begin with a sweet sail over to Coeches Harbor on Shelter Island for a swim. We could then sail back to Three Mile Harbor in time for your beach chair for the afternoon, and dinner at one of East Hampton's wonderful restaurants conveniently located just up the road from Little Dutch. Our weekend or week-long adventures could take you to magical Block Island or Martha's Vineyard. We will accommodate you to make your sailing adventures ideal.

Special event charters are also available for any occasion.
